

# Hierarchy from Love: Divine Guidance for a Soul-Driven Planet

RELIGION-SPIRITUALITY

Does it seem as if many things on the Planet, and possibly in your life, are Off-Balance and not flowing right? If it does, you are correct. Today's world lacks Balance in every area of life—from the health of the individual to the health of the environment. They are all connected and they are all fixable. In *The Hierarchy of Love: The Planet*, author Julie Holbrook narrates a meaningful and timely message that answers many questions being asked about the challenges in everyday life and the issues impacting the Planet globally.

An instruction manual for living on Earth, *The Hierarchy of Love: The Planet* discusses how the world revolves around Hierarchy and Love in a new and expanded way. It helps us understand what Love is, where it comes from, and how powerful it is. It explains the flow of Energy on the Planet and how we can use it to help bring Balance back to the Planet and to our lives simultaneously.

As Julie shares her personal journey and lessons learned from Archangel Michael, she communicates that we are all a part of God and the Energy of God's Love lives in our Soul. By listening to our Soul, we can hear God's words that guide our lives with Love.

**JULIE HOLBROOK** is a physical and spiritual mentor using her background in nutrition, wellness, and Energy work along with guidance from Archangel Michael to create healthy lifestyles for her clients. She resides in Gilbert, Arizona.
