

The Triumph of Politics

The Triumph of Politics: Why the Reagan Revolution Failed. The controversial bestseller on the failure of the Reagan Revolution. This memoir is a bitter review of Stockman's years in the Reagan Administration. It is a book with few heroes and many fools. In fact, the swamp got deeper and more stagnant. So I wrote my first book, The Triumph of Politics, in It showed how all of the swamp. In his memoir, The Triumph of Politics, Stockman chronicled and criticized Reagan's reluctance to fulfill his campaign promise of shrinking. David Stockman's account of his controversial tenure as President Reagan's director of the Office of Management and Budget () is the most discussed political memoir of , filled as it is with sharp, often contemptuous criticism of practically everybody in Washington, except for ideologically pure supply-. David Stockman lives in a world of blacks and whites. There are no shades of gray, there is no room for doubt. His world has room for only two. One of the most enduring myths of American politics, which is shared by people on both the left and the right, is that Reagan dealt a death blow. This book is a real shocker. I had always thought of "trickle down" of cutting taxes, had no idea Stockman was really also trying to cut spending programs (big. THE TRIUMPH OF POLITICS How the Reagan Revolution Failed.
